

Crime Prevention

The Neighborhood Watch Program in Hawk Ridge has been replaced with a Crime Prevention Program. The Board still believes that neighbors looking out for each other is a major deterrent to criminal activity in the neighborhood. To report any criminal activity, contact the El Paso County Sheriff Office and also please inform the HOA by email at president@hawkridgehoa.com and put "Crime Prevention" as the subject.

Always Report Vandalism or Suspicious Behavior promptly!

If you experience vandalism, whether of a serious nature or relatively minor, *please report vandalism to the EPSO Dispatch Non-emergency Crime Reporting Number below, as well as to the HOA email.* Why? Although the Sheriff's Office does not have the resources to investigate and actively pursue all vandalism cases, by reporting all vandalism you are helping to establish a database of crimes that might produce important leads. Equally important, each report of an unlawful act, even as minor as vandalism, helps to increase funding for additional law enforcement resources in our area.

El Paso County Sheriff's Office (EPSO) FOR EMERGENCIES: DIAL 9-1-1
